

AAS Astronomy Ambassadors Commitment & Endorsement Form

Applicant's full name (please print)

Institution/Organization

Department/Division

The person listed above is applying to participate in the AAS Astronomy Ambassadors program, which is designed to support early-career AAS members with training in resources and techniques for effective outreach to students and the public. In order for the application to be considered complete, the applicant must fill out the online application (<https://aas.org/content/aas-astronomy-ambassadors-program-2018-application>) and mail, fax, or scan-and-email this Commitment & Endorsement Form by Wednesday, **8 November 2017**.

What Participants Can Expect from the AAS Astronomy Ambassadors Program:

- A 2-day workshop on public outreach at the 231st AAS meeting, National Harbor, MD, 7-8 January 2018;
- Ongoing support and discussion following the workshop through a web-based community of practice;
- Lodging and lunches provided during the 2-day workshop in National Harbor;
- Certification as an AAS Astronomy Ambassador, once participants have logged three outreach events.

What Does the Astronomy Ambassadors Program Expect from Participants?

- A few hours of pre-workshop online activities & discussions;
- Full participation in the 2-day workshop at the 231st AAS meeting, National Harbor, MD, 7-8 January 2018;
- Ongoing participation (at least 2 hours/month for at least 6 months) in the online community of practice;
- Logging of at least 2 to 3 hours of public outreach in the 12 months following the workshop.

Participant Agreement

If my application is accepted, I will fully participate in the AAS Astronomy Ambassadors program according to the expectations outlined above. I understand that my department/division or I will be responsible for the cost of my registration for the 231st AAS meeting and my transportation to National Harbor, MD, for the January 2018 workshop.

Signature: _____ Date: _____

Department/Division Endorsement

I fully support the above-named applicant's participation in the AAS Astronomy Ambassadors program according to the expectations outlined above. I understand that the department/division or participant will be responsible for the cost of meeting registration and transportation to National Harbor, MD, for the January 2018 workshop. I further understand that the applicant will spend some time in the next year doing outreach programs for schools and/or the public.
