(Name) (Name of Exhibit)

Exhibitors at the 235th AAS meeting, agree to the following **Terms and Conditions** regarding the High Speed Internet Access in the Exhibit Booth: (\*order options on page 9)

1. DHCP Servers and/or wired routers of any type are only allowed on the Advanced Package.
2. Every device connected directly to the internet/network provided drop must have a purchased IP address from the AAS.
3. Every Hub/Switch/Router/PC/Laptop/Server/etc. attached to the provided drop must have a registered MAC Address with the IT Staff. All other devices must be maintained behind your private network
4. If you require DHCP, you will need to order the \*Advanced Package and setup your own DHCP server .
5. NO wireless routers will be allowed on the network unless installed by the AAS IT Staff.
6. All attached devices are required to run the most up to date virus protection software, IP filtering, anti-ad and pop-up software, and anti-spyware software.
7. No computer or device on the network should be publicly addressable and serving the outside internet community. No computer should be acting as a server to the public internet.
8. The AAS IT Staff reserves the right to disconnect any device or sub-network that is causing overall network problems.
9. Wireless access in the Exhibit Hall is limited to email access and limited browsing, it is not intended for product demonstrations.
