We invite you to exhibit at the 235th meeting of the American Astronomical Society at the Hawaii Convention Center, Saturday, 4 January - Wednesday, 8 January 2020. This location is convenient to hotels in the AAS block - Hilton Hawaiian Village, Sheraton Waikiki and the Sheraton Princess Kaiulani.

This prospectus includes:
• List of Recent AAS Meeting Exhibitors
• Exhibitor Check List
• Quick Reference of Important Dates
• Exhibit Hall Schedule
• Exhibit Booth Rates
• Exhibit Booth Reservation Form
• Exhibitor Individual Registration Form
• Internet Order Form
• Exhibit Hall Floor Plan
• Advertising and Sponsorship Opportunities

Exhibit space will be reserved on a first-come, first-served basis with priority given to AAS Corporate Members and Sponsors. Exhibit rates are classified by three different categories:
• Corporate Member/Publisher Affiliate
• Government/Non-Profit
• Nonmember

To qualify for the Corporate Member/Publisher Affiliate rate, your company must have a current AAS corporate membership. Individual memberships do not qualify for exhibit booth discounts. To qualify for the government rate, your exhibit must represent a US government agency. To qualify as a non-profit, you must show proof of your federal status.

Please return forms with payment to:
Debbie Kovalsky
235th AAS Meeting Exhibits
1667 K Street NW Suite 800
Washington, DC 20006
(F) 202-234-7850 or exhibits@aas.org

The Service Kit, including electrical orders, furnishing, shipping information, etc., will be sent in September from Arata Expositions, the show contractor.

Meeting information is available on the Hawaii Meeting website, aas.org/meetings/aas235. A block of rooms has been secured at the Hilton Hawaiian Village, Sheraton Waikiki and the Sheraton Princess Kaiulani. Visit the website for more information and remember the importance of booking within the AAS hotel room block.

We encourage your institution to participate in the Student Education and Outreach (EPO) event held in our Exhibit Hall Tuesday afternoon. Learn more about EPO on the meeting website, aas.org/meetings/aas235/epo

If you have any questions about exhibiting or if you would like to receive information about enhancing your participation at the AAS meeting, please contact Debbie Kovalsky at 202-328-2010 x110 or exhibits@aas.org.

We look forward to seeing you in Honolulu, Hawaii.
About the American Astronomical Society (AAS)

Established in 1899, AAS is the major organization of professional astronomers in North America. The membership (~8,000) also includes physicists, mathematicians, geologists, engineers, and others whose research interests lie within the broad spectrum of subjects now comprising contemporary astronomy. The mission of the American Astronomical Society is to enhance and share humanity’s scientific understanding of the universe.

**Exhibit Check-In**

Check-in **Saturday, 4 January**, at the Exhibitor Services Desk **beginning at 10:00 am**. Badges and meeting materials will be available for pickup at this time. Please be sure to complete the **Exhibitor Registration Form** by **16 December 2019** to ensure that your badges are available when you or your colleagues arrive. Badges not picked up on Saturday will be available at the Exhibitor Services Desk for the remainder of the meeting.

*Start time subject to change.*

*(Floor plan on Page 11)*

**Posters**

Posters will be up each day in the Exhibit Hall. Traffic to your booth will greatly increase each evening as attendees view posters during the poster session. The morning poster session includes a coffee break and the afternoon poster session brings the day to a close and includes a cash bar.

**iPosters & iPosters-Plus**

Relatively new to AAS meetings, iPoster are interactive, multimedia poster presentations. iPosters-Plus are interactive theaters adjacent to the exhibit hall that allow authors to use the iPoster interface while presenting an oral talk to an audience. Exhibitors may use the iPoster-Plus system to promote products and services as well.

**Coffee Breaks**

Coffee breaks will occur in the Exhibit Hall each morning. This is an excellent sponsorship opportunity for your organization.

**Cyber Cafe and Wired Internet Lounge**

The Cyber Café with computers and printers will be available in the Exhibit Hall. In addition, tables with hard-wired internet connections will be available. Exhibitors can make use of this area during the meeting.

**Student Pavilion**

Mentoring sessions and graduate school promotions will attract attendees to the Student Pavilion inside the Hall.

Exhibit Rules and Regulations

Definition
The words “Exhibit Management” as used herein refer to the American Astronomical Society (AAS).

Arrangement of Exhibits
All exhibits must be arranged without obstructing the general view or hiding other exhibits. Backgrounds (including signs) must be no more than eight feet in height. Material extending into the exhibit area by more than three feet from the back wall cannot exceed three feet in height. No partitions other than the side rails will be allowed, unless specifically approved by Exhibit Management. Exposed unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. Exhibit Management may (at the exhibitor’s expense) direct revisions of any exhibit that does not comply with the above guidelines. Exhibit booths may only be used in a straight line as it appears on the floor plan. Exhibitors wishing to exceed the height limit may do so in an island configuration.

Location/Layout of Exhibits
At all times, Exhibit Management reserves the right to alter the location and/or layout of the exhibits in the best interests of the overall exhibition and meeting.

Installation/Dismantling
Exhibits must be completely installed by 5:00 pm on Saturday, 4 January 2020. Exhibit Management reserves the right to re-assign any space not installed at that time. No packing or dismantling of exhibits will be permitted prior to the official closing of the exhibition, and there will be a $500 fine for any exhibitor dismantling prior to the closing of the show.

Official Service Contractor
Arata Expositions, Inc. is the official service contractor. The contact is Christine Dietz, 301-921-0800. Please contact her for pricing information. Exhibit Kits and other important information will be sent to the primary exhibit contact listed on the AAS exhibit booth reservation form.

Occupancy of Booths
All booths should be staffed during the advertised show hours.

General Conduct of Exhibitors
All materials and activities must be confined to the limits of the exhibit booth(s) and may not impede traffic or interfere with other exhibits. Furthermore, all of the following practices are expressly prohibited: the promotion of products or services other than the exhibitor’s, excessive noise that would interfere with other exhibitors, the storage or use of flammable or explosive materials (or any substance prohibited by local laws or insurance carriers), the operation of x-ray equipment, the soliciting of participation in surveys or any other harassment of attendees, the use of live animals, the solicitation of business by anyone other than the representatives of exhibiting organizations, and the publicizing or conducting of any activities that would attract attendees away from the exhibition during exhibit hours.

Rejection & Penalties
Exhibit Management reserves the right to refuse any applicant for exhibit space, as well as the right to restrict or evict any exhibit that, in the opinion of Exhibit Management, detracts from the general character of the exhibition. This reservation applies to displays, printed matter, promotional materials, noise, personal conduct, and method of operation. In the event of such restrictions or eviction, Exhibit Management will not be liable for any refunds or other exhibit expenses.
Insurance
Exhibitors are urged to take out a portal-to-portal rider on their own insurance policy, usually available at a nominal cost, to protect against loss through theft, fire, damage, etc. Exhibitors are responsible for their equipment and property. The exhibit area will be monitored and secured, but AAS does not guarantee nor protect the exhibitor against loss of any kind. Each party agrees to be responsible for its own property through insurance or self-insurance; exhibitors shall hold harmless AAS for any and all damage caused by theft and those perils normally covered by fire and extended coverage policy.

Liability
The exhibitor agrees to assume all responsibilities for any damage to the exhibit booth area. The exhibitor also expressly indemnifies and holds harmless AAS, the show’s official service contractor, and any other agents of Exhibit Management from any and all liability that may ensue from accidents, injuries, damage by fire, loss or theft of property, or any other cause the exhibit booth area. Security guards will be provided; however, the exhibitor retains sole responsibility for his/her own exhibit materials. In the event that the exhibition is canceled, the liability of Exhibit Management shall be limited to the monies paid by the exhibitor as exhibit booth rental, less a proportionate share of all expenses incurred by Exhibit Management for the exhibition.

Subletting of Space
No exhibitor shall assign, sublet, or apportion the whole or any part of the space allotted without the knowledge and written consent of Exhibit Management.

Payment Terms
Only checks, money orders and credit cards are accepted. Exhibit Fees should be made payable to the American Astronomical Society, 1667 K Street NW Suite 800, Washington, DC 20006. Questions regarding exhibits and/or rates should be directed to Debbie Kovalsky, AAS Director of Exhibits and Development, AAS Executive Office, 202-328-2010 ext. 110 or exhibits@aas.org.

Cancellations
After a signed contract has been received, cancellations prior to 18 November 2019 will be liable for a penalty of $600 per booth reserved. No refunds will be given after 18 November 2019. All cancellations must be submitted in writing.

Exhibitor Meeting Registration, Travel, and Housing

Exhibitor Registration
Exhibitors are entitled to two (2) full complimentary individual meeting registrations and three (3) Exhibit Hall-only passes per exhibit. Each exhibitor must wear an official exhibitor’s identification badge throughout the meeting. Badges will be required to gain entry to the Exhibit Hall, no exceptions. If additional individual registrants will be responsible for staffing your exhibit, they should indicate this on their registration form. Exhibit Hall-only badges are available for $150 per badge.

Travel and Housing/Hotel
Exhibitors are responsible for making their own travel and housing arrangements. Rooms have been reserved at the Hilton Hawaiian Village, Sheraton Waikiki and Sheraton Princess Kaiulani. Reservations should be made by visiting the travel and lodging page on the AAS meeting website: aas.org/meetings/aas235
Anti-Harassment Policy for AAS & Division Meetings

Preface
The AAS Bylaws include an Article on non-discrimination in professional activities:

ARTICLE VI. NON-DISCRIMINATION IN PROFESSIONAL ACTIVITIES

Section 6.01 The Society is committed to the philosophy of equality of opportunity and treatment for all members, regardless of gender, gender identity, race, ethnic origin, religion, age, marital status, sexual orientation, disabilities, or any other reason not related to scientific merit. The Board of Trustees shall provide for such policies as are appropriate to recognize and maintain this commitment.

Consistent with this non-discrimination Bylaw, the AAS Council (Board of Trustees as of August 2017) at its January 2008 meeting approved the following anti-harassment policy.

Statement of Policy
It is the policy of the American Astronomical Society (AAS) that all participants in Society activities will enjoy an environment free from all forms of discrimination, harassment, and retaliation. As a professional society, the AAS is committed to providing an atmosphere that encourages the free expression and exchange of scientific ideas. In pursuit of that ideal, the AAS is dedicated to the philosophy of equality of opportunity and treatment for all members, regardless of gender, gender identity or expression, race, color, national or ethnic origin, religion or religious belief, age, marital status, sexual orientation, disabilities, veteran status, or any other reason not related to scientific merit. Harassment, sexual or otherwise, is a form of misconduct that undermines the integrity of Society meetings. Violators of this policy will be subject to discipline.

Definition of Sexual Harassment
Sexual harassment refers to unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Behavior and language that are welcome/acceptable to one person may be unwelcome/offensive to another. Consequently, individuals must use discretion to ensure that their words and actions communicate respect for others. This is especially important for those in positions of authority since individuals with lower rank or status may be reluctant to express their objections or discomfort regarding unwelcome behavior.

Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, is personally offensive, debilitates morale, and therefore, interferes with work effectiveness. The following are examples of behavior that, when unwelcome, may constitute sexual harassment: sexual flirtations, advances, or propositions; verbal comments or physical actions of a sexual nature; sexually degrading words used to describe an individual; a display of sexually suggestive objects or pictures; sexually explicit jokes; unnecessary touching.

Definition of Other Harassment
Harassment on the basis of any other protected characteristic is also strictly prohibited. This conduct includes, but is not limited to the following: epithets, slurs, or negative stereotyping; threatening, intimidating, or hostile acts; denigrating jokes and display or circulation of written or graphic material that denigrates or shows hostility or aversion toward an individual or group.

Definition of Discrimination
Discrimination refers to bias or prejudice resulting in denial of opportunity, or unfair treatment regarding selection, promotion, or transfer. Discrimination is practiced commonly on the grounds of age, disability, ethnicity, origin, political belief, race, religion, sex, etc. factors which are irrelevant to a person’s competence or suitability.
**Definition of Retaliation**

Retaliation refers to taking some action to negatively impact another based on them reporting an act of discrimination or harassment.

**Scope of Policy**

This policy applies to all attendees at Society activities, including scientists, students, guests, staff, contractors, and exhibitors, participating in the scientific sessions, tours, and social events of any AAS or Division meeting or other activity.

**Reporting an Incident**

Advice for reporting sexual or other forms of harassment is available on the website of the Committee on the Status of Women in Astronomy (CSWA). Here is a summary of the more detailed information available on the CSWA website:

Write everything down (times, places, nature of the incident, and comments made). Save emails, notes, etc. Tell someone you trust. It is likely that you will have to write and sign an official letter of complaint, documenting the nature of the harassment and/or discrimination. Be as detailed as possible. Supporting documentation and statements from witnesses should be submitted with your letter.

Any individual covered by this policy who believes that he or she has been subjected to harassment should complete the online reporting form to submit the incident for review. All complaints will be treated seriously and be investigated promptly. Confidentiality will be honored to the extent permitted as long as the rights of others are not compromised.

**The Investigation**

Once a report is received, the Executive Officer or Secretary will inform the President. An external consultant will be retained to investigate the report. In most cases, the complainant will be interviewed first and the written complaint reviewed. If the complainant has not already filed a formal complaint, he or she should be asked to do so. The details of the complaint should be explained to the alleged offender by the investigator. The alleged offender should be given a reasonable chance to respond to the evidence of the complainant and to bring his or her own evidence. If the facts are in dispute, further investigatory steps may include interviewing those named as witnesses. If, for any reason, the investigator is in doubt about whether or how to continue, he or she will seek appropriate counsel. When the investigation is complete, the investigator will report the findings to the President, Executive Officer, and Secretary along with a recommendation for further action.

**Retaliation Is Prohibited**

The AAS will not tolerate any form of retaliation against persons who file a complaint or assist in the investigation. Retaliation is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action.

**Disciplinary Action**

Individuals engaging in behavior prohibited by this policy as well as those making allegations of harassment in bad faith will be subject to disciplinary action. Such actions range from a verbal warning to ejection from the meeting or activity in question without refund of registration fees and the reporting of their behavior to their employer. Repeat offenders may be subject to further disciplinary action, such as being banned from participating in future Society or Division meetings or other activities. The Board of Trustees is granted the right in its Bylaws to terminate the membership of any member.

**Appeal & Questions**

In the event that the individual is dissatisfied with the results of the investigation, he or she may appeal to the President of the Society. Any questions regarding this policy should be directed to the AAS Executive Officer or other Society Officer.
