

## AAS MEMBERS: How to subscribe to *Sky & Telescope*

You are cordially invited to enjoy *Sky & Tel* at a special member-only price! There are three delivery options available to you: **digital-only**; **print + digital**; and **sustaining subscriptions**. Sustaining subscriptions are a way to support *Sky & Telescope* and receive a tax deduction. Sustaining subscribers will also receive exclusive communications from the editor in chief throughout the year and be invited to special events at conferences and star parties. The additional funds will be used to enhance the magazine and help to ensure its long-term success.

Rates (in USD) depend on subscription format and location:

	USA	Canada	Points Beyond
Sustaining Subscriber	\$134.95	\$149.95	\$164.95
Member rate: Print and Digital	\$41.95	\$56.95	\$71.95
Member rate: Digital only	\$28.75	\$40.75	\$52.75
Annual Subscription (nonmember)	\$54.95	\$69.95	\$84.95

Like AAS membership and journal subscriptions, you'll receive a renewal invoice each September. You'll have until February to re-up your subscription.

### So, how do I sign up?
