

Abt Archive Project: ensure the manuscript files related to the *Astrophysical Journal* during the editorship of Helmut A. Abt will be available in perpetuity

Annie Jump Cannon Award in Astronomy: for outstanding research and promise for future research by a female astronomer

John N. Bahcall Public Policy Fellowship: for talented research astronomers interested in public policy to the scientific advocacy process

Chambliss Astronomy Achievement Student Awards: for exemplary research by undergraduate and graduate students who present a poster at AAS meetings

Child/Dependent Care Grants: to aid members who need dependent care to attend a meeting of the AAS

Chrétien International Research Grants: to further international collaborative projects in observational astronomy

Rodger Doxsey Travel Fund: provides graduate students and postdocs monetary prize to enable the oral presentation of their dissertation research at a winter meeting of the AAS

Educational Activities: to enhance science literacy, provide encouragement and broaden educational opportunities for all

Education Prize: for outstanding contributions to the education of the public, students and/or the next generation of professional astronomers

Charles A. Federer Jr. *Sky & Telescope* Digital Archive: support the Society's scanning project to ensure that *Sky & Telescope* will be available in perpetuity

Membership Emergency Fund: short-term loans to active members and affiliates who are undergoing financial hardship because of a recognized emergency

Hack Day Fund: to provide space, equipment, internet access, and most importantly, refreshments (read: coffee), for our hackers

Initiative Endowment Fund: for the astronomical sciences poised to embark on a bold new voyage of discovery

FAMOUS Travel Grant Fund: to provide grants to members who have difficulty financing their travel to AAS meetings

Ojars J. Sovers PhD AAS Scholarship/Fund: to support the AAS Education Committee's efforts to provide professional development experiences to the AAS community

Carbon Offsets Fund: used for third-party certified projects to reduce carbon emissions for the meeting's carbon footprint

Newton Lacy Pierce Prize: for outstanding achievement over the past five years in observational astronomical research based on measurements of radiation from an astronomical object

Public Policy Support: support actions of and interactions with both Congress and the Executive Branch, and activities of the AAS that can have an impact in public life

Henry Norris Russell Lectureship: for a lifetime of eminence in astronomical research

Harlow Shapley Visiting Lectureship Program: for two-day visits by scientists who bring the excitement of modern astronomy and astrophysics to colleges of all types

General Fund: for advocacy efforts, operations, and membership services

Beatrice M. Tinsley Prize: for outstanding research contributions to astronomy or astrophysics of an exceptionally creative or innovative character

George Van Biesbroeck Prize: for living individuals for long-term extraordinary or unselfish service to astronomy

Helen B. Warner Prize: for a significant contribution to observational or theoretical astronomy

Joseph Weber Award for Astronomical Instrumentation: for the design, invention, or improvement of instrumentation (not software) leading to advances in astronomy

Division on Dynamical Astronomy

DDA Division Contribution: Non-specific contribution to the DDA

Brouwer Award: to recognize outstanding contributions to the field of Dynamical Astronomy

Raynor L. Duncombe Prize for Student Research: helps defray the cost of attending the DDA Annual Meeting for students

Vera Rubin Early Career Prize Fund: for extraordinary contributions by an early career dynamicist

Needs-Based Travel Grant Fund: for members' travel expenses for attending DDA meetings

Division for Planetary Sciences

DPS Division Contribution: Non-specific contribution to the DPS

Fund to Support Underrepresented Minority Communities: for partnerships between the DPS and national organizations for minority scientists and to encourage participation by scientists of color in the annual DPS conference

Hartmann Student Travel Grant Program: for funding to enable students to attend meetings

Susan Niebur Professional Development Fund: for financial assistance to qualifying members to facilitate their meeting attendance by offsetting dependent care costs

Historical Astronomy Division

HAD Division Contribution: Non-specific contribution to the HAD

Doggett Prize: for an individual whose long-term efforts and lifetime achievements have had significant impact on the field of the history of astronomy

Osterbrock Prize Fund: Awarded biennially to the author(s) of a book judged to advance the field of the history of astronomy or to bring history of astronomy to light

Student Travel Award Fund: for funding to enable students to attend the AAS/HAD meeting in January of each year

High Energy Astrophysics Division

HEAD Division Contribution: Non-specific contribution to the HEAD

Mid-Career Prize: for a significant advance or accomplishment (observational or theoretical) in high energy astrophysics

Rossi Prize: for a significant contribution to high-energy astrophysics, with particular emphasis on recent, original work

Schramm Award: for distinguished writing on topics in high-energy astrophysics to improve the general public's understanding

Travel Grant Fund: for scientific travel, primarily for early-career scientists

Laboratory Astrophysics Division

Laboratory Astrophysics Division General Fund: Non-specific contribution to the LAD

Prize Fund: to support the prizes awarded by the Division for advancing laboratory astrophysics

Solar Physics Division

SPD Division Contribution: Non-specific contribution to the SPD

Childcare Grant Fund: for grants to help members with young children attend the SPD meeting

George Ellery Hale Prize: for a scientist for outstanding contributions over an extended period to the field of solar astronomy

González Hernández Prize: for a significant contribution to the study of the Sun while in the mid-career stage

Karen Harvey Prize: for a significant contribution to the study of the Sun early in a person's professional career

Studentship Awards: for outstanding undergraduate and graduate students who are interested in pursuing a career in solar physics

SunPy Support Fund: for the development and maintenance of open-source software on which the solar physics community relies

Thomas Metcalf Travel Fund: for members' expenses for attending meetings relevant to solar physics
