Robust Exhibit Hall Activity: The Exhibit Hall is the hub of activity for DPS meetings. Participants state that networking is one of their key reasons for attending the meeting, along with exploring the latest innovations shared by researchers and scientists — all occurring in the Exhibit Hall.

Posters: Presenters will display their posters in the Exhibit Hall every day (Monday – Thursday), creating a steady stream of traffic and providing additional opportunities to interact with attendees.

Exhibit Booths: A standard exhibit booth is 10' x 10' and includes an 6' skirted table and two chairs. Pipe and drape form a separation between the booths.

Customized Booths and Packages: If you would like to build a customized booth or support package, please contact Rod Nenner at rod.nenner@aas.org or 202-328-2010 x148. There are several naming opportunities including: opening reception, meeting program handout, daily coffee breaks, badges and lanyards, registration handout, charging stations, and more! Exhibit Rules

Definition

The words “Exhibit Management” as used herein refer to the Division for Planetary Sciences (DPS).

Exhibitor Registration

Exhibitors are entitled to both Full Complimentary Registration and Exhibit Hall passes based on the level of exhibit booth reservations as indicated in the Exhibit Pricing Structure. Each exhibitor must wear an official exhibitor’s identification badge.

Housing/Hotel

Exhibitors are responsible for making their own travel and housing arrangements. Discounted sleeping room rates have been negotiated at the meeting hotel. Reservations should be made directly through the hotel.

Arrangement of Exhibits

All exhibits must be arranged without obstructing the general view or hiding other exhibits. Backgrounds (including signs) must be no more than 8 feet in height. Height restrictions are more flexible with island booths. Material extending into the exhibit area by more than 3 feet from the back wall cannot exceed 3 feet in height. No partitions other than the side rails will be allowed, unless specifically approved by Exhibit Management. Exposed, unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. Exhibit Management may (at the exhibitor’s expense) direct

revisions of any exhibit that does not comply with the above guidelines. Exhibit booths may only be used in a straight line or in an island style as it appears on the floor plan.

Location/Layout of Exhibits

At all times, Exhibit Management reserves the right to alter the location and/or layout of the exhibits in the best interests of the overall exhibition and meeting.

Installation/Dismantling

Exhibits must be completely installed at least two hours prior to the opening of the show. Exhibit Management reserves the right to re-assign any space not installed at that time. No packing or dismantling of exhibits will be permitted prior to the official closing of the exhibition, and there will be a \$600 fine for any exhibitor dismantling prior to the closing of the show. Setup begins Sunday, 25 October from 9:00 am – 5:00 pm. Teardown begins on Thursday, 29 October, at 6:00 pm.

Exhibit Kits

Exhibit Kits and other important information will be sent to the primary exhibit contact listed.

General Conduct of Exhibitors

All materials and activities must be confined to the limits of the exhibit booth(s) and may not impede traffic or interfere with other exhibits. Furthermore, all of the

Exhibit Rules

following practices are expressly prohibited: the promotion of products or services other than the exhibitor's, excessive noise that would interfere with other exhibitors, the storage or use of flammable or explosive materials (or any substance prohibited by local laws or insurance carriers), the operation of X-ray equipment, the soliciting of participation in surveys or any other harassment of attendees, the use of live animals, the solicitation of business by anyone other than the representatives of exhibiting organizations, and the publicizing or conducting of any activities that would attract attendees away from the exhibition during exhibit hours.

Occupancy of Booths

We request that all exhibit booths be staffed during the advertised show hours. There is a \$600 fine for exhibitors that dismantle prior to the official end of exhibit hall hours.

Rejection & Penalties

Exhibit Management reserves the right to refuse any applicant for exhibit space, as well as the right to restrict or evict any exhibit that, in the opinion of Exhibit Management, detracts from the general character of the exhibition. This reservation applies to displays, printed matter, promotional materials, noise, personal conduct, and method of operation. In the event of such restrictions or eviction, Exhibit Management will not be liable for any refunds or other exhibit expenses.

Insurance

Exhibitors are urged to take out a portal-to-portal rider on their own insurance policy, usually available at a nominal cost, to protect against loss through theft, fire, damage, etc. Exhibitors are responsible for their equipment and property. The exhibit area will be secured, but DPS does not guarantee nor protect the exhibitor against loss of any kind. Each party agrees to be responsible for its own property through insurance or self-insurance; exhibitors

shall hold harmless DPS for any and all damage caused by theft and those perils normally covered by fire and extended coverage policy.

Liability

The exhibitor agrees to assume all responsibilities for any damage to the exhibit area. The exhibitor also expressly indemnifies and holds harmless DPS, the show's official service contractor, and any other agents of Exhibit Management from any and all liability that may ensue from accidents, injuries, damage by fire, loss or theft of property, or any other cause. Exhibitors retains sole responsibility for their exhibit materials. In the event that the exhibition is canceled, the liability of Exhibit Management shall be limited to the monies paid by the exhibitor as exhibit booth rental, less a proportionate share of all expenses incurred by Exhibit Management for the exhibition.

Subletting of Space

No exhibitor shall assign, sublet, or apportion the whole or any part of the space allotted without the knowledge and written consent of Exhibit Management.

Payment Terms

Checks and credit cards are accepted. Exhibit Fees should be made payable to the Division for Planetary Sciences, 1667 K Street, NW, Washington, DC 20006. Questions regarding exhibits and/or rates should be directed to Rod Nenner, rod.nenner@aes.org.
